

The image shows a technical drawing of a mechanical part, possibly a bracket or a support, with a central vertical axis of symmetry. The part consists of several horizontal sections. At the top, there is a curved section with two circular holes. Below this is a rectangular section with two circular holes. The middle section is a large, curved, bowl-like shape with a central circular hole. Below this is another rectangular section with two circular holes. At the bottom, there is a curved section with two circular holes and a small rectangular protrusion at the very bottom center. The drawing is enclosed in a pink border. The text 'M*B' is located in the middle section, and the dimensions 'MB 343 x 156 x 101 x 193mm' are located in the bottom section.
